

OTTAWA VALLEY LAND ROVERS

OTTAWA, ONTARIO, CANADA

P.O. Box 16055, Stn F, Ottawa, Ont. K2C 3S9

G'Day eh!

Oct.12, 1987.

The leaves are falling, winter is coming, time to tune-up the old-dear for the rigours of the coming season. Most important do not forget to undercoat. Your club has arranged a chassis oiler for this year again. It will be at the Hart residence, RR 1, Harwood Lane Kanata (see map) Oct. 31, and will only be \$25.00 per vehicle, do it yourself. If you want to do the family Bentley also, fine, but Land-Rovers take priority. We will have a compressor, ramps, Texaco Flocoat and all the paraphernalia on hand. The idea is to thoroughly spray the inside and outside of your frame to inhibit corrosion. The flocoat is designed to wet the metal. It is very tenacious and not easily displaced by the brine you will be driving through. In order to have a proper application it would be best to hose down the innards of your chassis, in order to remove mud, cow manure, bull... etc. Do this a couple of days in advance of the event as the flocoat works best on a dry chassis.

As you can see there are nomination forms included. We warned you last month, that the time is coming to exercise your democratic rights, or campaign for your election. The annual meeting will be Jan. 12 and you may vote in person then. The constitution stipulates that there are two types of members, 88 & 109 owners! No the following is a direct quote from the aforementioned document.

"Membership shall consist of two categories:

1. Members residing within the boundaries of the Ottawa Valley shall be identified as full members and be accorded voting privileges and hold office in the OVLR executive.
2. Members residing outside the boundaries of the Ottawa Valley shall be identified as associate members without voting privileges and may not hold office in the OVLR executive.

Please fill in the attached nomination form and send it back ASAP. Nominations close 12:00 P.M. Nov. 12. The executive will phone those nominated to see if they will stand for office. Those willing will have their names run in the Nov. newsletter which will contain ballots for the election Jan.12, 1988. Incidentally, time being a wee bit precious your prez Tony, will not be seeking nomination again this year! Also, unfortunately Lynne is stepping down from the post of treasurer.
